

Inject No	Time CEST	Insert to	Insert by	Inject Content / Event	Expected player reaction = prompts for controllers and evaluators
D (-7) - 8 MAY 2012					
	12:00	ECDC Communications and Epidemic intelligence	News Website	Build up stories about the European championships also local stories about the work being done on the underground tunnel and brief introduction to outbreak of illness in Cairo	Monitor - and report as appropriate (no external action required)
EXERCISE DAY - 15 MAY 2012					
	07:30				
	08:00			STARTEX	
1	08:00	Ecdc support mail	EWRS message	Alerts ECDC to a death in the Ukraine	Should use the Activating PHE SOP, Activation of EOC Alert HoU SRS who will inform the Director and request permission to call PHE using request form. HoU informs Internal Communication and Knowledge Services who will pre-alert all staff of possible PHE using e-mail and intranet (staff to check intranet to verify posting and time) Director consults with SMT and AF. Declares PHE Level 1 - Director should inform SANCO (C3), WHO, MS, EEA through EXCON Director convenes PHEMT and forms PHERT OGDs nominated
2	08:15	Ecdc support mail	Follow up to EWRS	Euros liaison in Poland provides further info	How is this info communicated to others?
3	08:30	All	News-Website	Video clip - death of French citizen linked to Euros	Make transcript available to players
3.1	08:30	EI and Comms	e-mail	E-mail advising that there is a new event on News Website	
	09:00	Director	Verbal from ECDC "control player"	Request director to convene meeting or otherwise alert ECDC staff of move to PHE 1	Jane Ensure that John speaks to the director and makes the request Director convenes meeting. EOC activated. EOC e-mail addresses should be communicated to EXCON as EXcon is simulating external organisations. Evaluators to make note of time PHEOP activated to level1
4	09:30	Ecdc support mail unless advised otherwise	EWRS message from Germany	Germany responds to French question saying no confirmed cases of measles but some rumours of illness among returning fans - only hearsay	No action expected
5	10:00	Ecdc support mail unless advised otherwise	EWRS message from UK	Measles outbreak - Advice to fans - can we coordinate?	ECDC should lead on coordination activity bearing in mind fans from all over Europe!
6	10:30	support in eoc*	email	SANCO requesting RRA (controller will have to brief players on what is required)	Players are expected to complete a full RRA using the RRA SOP
	10:50	Communications	Live Play (LML + SvM)	Journalists turn up at building try to gain access to the RT	Should be stopped at the front desk. If not they should proceed to EOC and try and record. If they are stopped should try and record through window.
	11:20	Ecdc support mail and John	EUROPOL	Test message from EUROPOL	Raises the question of whether there are enough security cleared staff available to access the message. HPA staff should only note as required.
	11:30		N/A	PHEMT / RT Meeting	This should happen as routine
7	11:35	Communications	Phone (LML/SvM)	Call from media asking for information about outbreak(s)	May be reported into PHEMT
8	11:40	All	News Website	update on situation	Additional information will go on News Website at this point to distract the RT

9	13:00	Phone call (Johnathan Doe)	Phone call from Euros Liaison officer in Poland	MoH Ukraine intends to hold press conference at 8pm CEST to update on PH situation in Ukraine	This inject is intended to ensure that the players start to think about upgrading the PHE level as their will be a need for people to remain on duty after hours.
10	14:00	EI and Comms	News Website	Polio?	post on News Website, reinforce with phone calls from media
	14:30			Second shift arrive for HOTO (hand over/take over)	Briefed by outgoing shift - quality/content of debrief to be evaluated
